Good day,

I hope you're well.

During the reconciliation of the July–August payment cycle, covering 21 July to 20 August 2026, I noted that you have biometric attendance days recorded on KwantuGo, however, no corresponding Evidence of Work has been submitted to the Evidence Drive.

Please note that biometric attendance confirms your presence, but we are also required to have supporting evidence confirming the work completed during the recorded hours before the payment can be processed.

Kindly submit your completed Evidence of Work form, together with the relevant supporting documentation, by Monday, 24 August 2026 at 13:00.

The evidence submitted should account for the days and hours recorded on KwantuGo and clearly indicate the activities or work completed.

Please note that we require this evidence in order to verify and process your payment. If the required evidence is not received by the deadline, we will be unable to include you in the payroll.

Thank you for your cooperation.
